unlock your potential to make a difference in the world we all want to do something that matters we all hope that our lives will leave a positive impact on the world unfortunately however we often get stuck along the way overwhelmed by the weight of our own fears or the grind of everyday life that's why author and entrepreneur blake mycoskie has crafted this guide for building a business that matters following his business model which donates products to a person in need for every product purchased you'll learn how you too can start something that matters do you want more free book summaries like this download our app for free at quickread.com/app and get access to hundreds of free book and audiobook summaries disclaimer this book summary is meant as a preview and not a replacement for the original work if you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be if you are the original author of any book on quickread and want us to remove it please contact us at hello.quickread.com

in 2006 while travelling in argentina young entrepreneur blake mycoskie encountered children too poor to afford shoes who developed injuries on their feet that often led to serious health problems blake knew he wanted to help but rather than start a charity he went against conventional wisdom and created a for profit business to help the children who he met with the help of a local shoemaker blake

struck out to merge activism and fashion in the form of a local canvas shoe worn by farmers and gauchos alike called the alpargata blake called his creation toms shoes which stands for tomorrow s shoes and promised to give a pair of new shoes to a child in need for every pair that he sold starting with only two hundred pairs of handmade shoes optimism and entrepreneurial charisma blake successfully launched toms into the high fashion world they can now be seen adorning the feet of celebrities such as keira knightley scarlett johansson and tobey maguire blake s mission is to prove that you can achieve financial success and make the world a better place at the same time in this book he shares the six counterintuitive principles that have guided the growth of toms for the past three years make business personal be resourceful without resources reverse retirement keep it simple stay humble give more advertise less the result is an inspiring account of a young man whose entrepreneurial spirit was able to affect change in the world and a call to others to be inspired to do the same as part of the one for one initiative random house will provide a new book to a child in need with every copy of start something that matters purchased

practical wisdom in management is the first in depth case study book to explore how practical wisdom from spiritual and philosophical traditions inspires corporate culture and leadership the outcome of the practical wisdom initiative between the academy of business in society abis and yale university center for faith and culture it seeks to construct a bridge between the worlds of management and the spiritual and philosophical traditions covering ten major worldwide religions theodore malloch provides an overview of the practical wisdom of the major faith traditions for management it includes case studies of over twenty multinational corporations focusing on their values spiritual inspiration and business strategy it features case studies on corporations including ascension health michelin danone group walmart toms marriott hsbc four seasons guangzhou eversunny trading and toyota it is essential reading for business leaders researchers and students of business ethics and spirituality courses and includes full teaching guidance

in 2006 the toms shoe company radically disrupted the for profit business model literally for good in challenging what a money making company could do with its earnings toms incorporated a giving component within its business model making giving intrinsic to each

sale for every pair of shoes sold another pair would be given away to a child in need giving thus became good business at both levels in making money and in helping kids the toms effect is a book that explains and explores this phenomenon through toms company history as well as through major corporations like walgreens walmart nestle stella artois and michael kors as in addition to younger smaller companies and start ups like warby parker brandless and not impossible labs toms founder blake mycoskie was the epitome of counter culture ceo his goal to start something that matters has been proven in terms of business sense he is worth 300 million and has been sustained through product line evolution and creative marketing where the shoes become a movement and the customer becomes a partner the toms effect has influenced the behavior of consumers as well as young entrepreneurs and established corporations in november 2018 blake took to late night shows to publicize toms newest giving ventures end gun violence together egvt and pick your style pick your stand these campaigns have been riskier than toms previous social justice health and community efforts will this latest iteration of the toms model be sustainable both in terms of monetization of egvt products and in effectively causing change
