tracing the story of red lodge from the 1880s to the present christensen tells how a mining town managed to endure the vagaries of the west s unpredictable extractive industries economy she connects red lodge to a myriad of larger events and historical forces to show how national and regional influences have contributed to the development of local identities exploring how and why westerners first rejected and then embraced western images and how ethnicity wilderness and historic preservation became part of the identity that defined one town book jacket

in the late nineteenth century the mormon culture region of the american west was considered radical characterized by sexual immorality communalism and anti americanism today social conservatism marks the region how did this shift occur in this unique study ethan r yorgason foregrounds the concept of region and traces the conformist conservative trajectory that arose from intense moral and ideological clashes between mormons and non mormons from 1880 to 1920 non mormons worried that

mormons would establish an un american society in the west while mormons feared for the very existence of their church an example of the new regional geography yorgason s work treats culture as an arena of political struggle looking through the lenses of regional geography history and cultural studies yorgason investigates shifting moral orders relating to gender authority economic responsibility and national loyalty he particularly focuses on mormon feminism communitarianism nationalism and home life transformation of the mormon culture region charts the cultural contradictions of both mormons and non mormons and how they were resolved over time by a progressive narrowing of the range of moral positions on gender in favor of victorian gender relations the economy in favor of individual economics and the nation identifying with national power and might mormons and non mormons together constructed a regime of effective coexistence while retaining regional distinctiveness

stroll through larimer square in denver or through pioneer square in seattle and you feel that you re stepping into history while browsing the expensive boutiques and tourist shops but are you in this intriguing study of some of america s favorite places judy morley takes a fresh look at adaptive reuse efforts in cities of the former frontier focusing on urban preservation resulting from the competing interests of architectural preservationists city planners chambers of commerce and boosters she shows how developers have often taken artistic license to refashion the western past into shopping centers and tourist traps in ways that privilege an imagined heritage over a more complex history examining old town albuquerque larimer square and lodo in denver and pioneer square and pike place market in seattle morley describes the creation and marketing of western heritage under the guise of historic preservation she draws on extensive interviews city council proceedings and historic plats and photographs to construct a detailed picture of how these districts originally looked and were used how they were renovated and to what ends they were marketed this is the first book to systematically address issues of historic preservation and western urban growth examining the interplay of identity preservation and tourism it identifies the economic political and social issues that transformed each historic district into a place that resonated with the popular imagination along the way morley exposes the ironies that have attracted criticism to historic districts such as old town albuquerque s celebration of hispanic heritage even though hispanic residents were displaced during the renovation or larimer square s hiding of its actual skid row past beneath a veneer of more tourist friendly history but while critics charge that historic preservation often celebrates a sanitized past morley suggests that these locales offer both residents and visitors a window on a shared romantic history and a sense of belonging serving as vital locations for community festivals holiday events and even public gatherings in times of tragedy historic preservation and the imagined west argues that although these districts did not so much preserve history as create mythic identities for their cities they have in their way reconciled the past with the needs of the future

john m findlay presents a historical overview of the american west between 1940 and 2000 arguing that during the years of u s mobilization for world war ii and the cold war the west remained a significant and distinctive region

this edited volume takes stories from the modern west of the late twentieth century and carefully pulls them toward the present explicitly tracing continuity with and unexpected divergence from trajectories established in the 1980s and 1990s

a sweeping nicely written briskly paced accessible history of women in the west home lands is guaranteed to draw readers into its narrative ramón gutiérrez author of when jesus came the corn mothers went away marriage sexuality and power in new mexico 1500 1846 change the vantage point and a place changes things appear in one view that are hidden in another this book s vantage point is home and from it the west does look different richard white author of it s your misfortune and none of my own a new history of the american west

this 1878 pamphlet addresses itself to laboring and landless men as well as to those of moderate means who are seeking to escape the tyrannies and thankless toil of the old world and the overcrowded conditions and limited opportunities of regions in the eastern united states it praises minnesota s healthful climate and its network of railroads its mineral resources educational facilities and demonstrated potential for agricultural production there is specific information about the amount and location of public lands as well as the costs involved in homesteading at the front of the book is a map of minnesota townships and railroad routes

contains monthly column of the sequoya league
